You will recall that at the morning meeting today Mr. Helms reminded us that Mrs. Wisner had requested that in lieu of flowers expressions of sympathy in memory of Frank be in the form of contributions to either the University of Virginia Law Library or the Hearing and Speech Center of Children's Hospital of the District of Columbia. He also suggested that, rather than making a number of individual contributions, Agency people who wish to express their sympathy in this way might like to join in making a single contribution.

I should appreciate your ascertaining the wishes of appropriate personnel in your Directorate or Office. If you will forward to me by 10 November the contributions of those who wish to participate along with an identification of the charity to which they wish to contribute, I will ensure proper handling and transmission.
